More info from the Health Connector for students:

Massachusetts college students must have health insurance, but you have options

School-based insurance:

- Your school will offer you health insurance, but other options may be better coverage for less money
- If you have other health coverage, you must ask for a waiver to avoid paying for your school's insurance
- **There are deadlines to waive your school's insurance!** Check with your school for details.

Your other coverage options:

- **Your parent's insurance:**
 - If it covers dependents, and
 - You are under 26*

* no age limit if you're disabled and it's MA insurance
- **MassHealth:** Low to no-cost health coverage
- **Health Connector:** Help paying for private insurance through the MA Health Connector
- **Job-based insurance:** If you have a full or part-time job
