Josephine Fiorentino, President
Chuck Moran, Development Committee Chair
Charlesview Inc. Board of Directors
51 Stadium Way
Allston, MA 02134

Dear Mrs. Fiorentino and Mr. Moran,

We are writing in response to your letter of December 29, 2004. The Charlesview Residents Organization has been and continues to be interested in all meetings about the future plans for Charlesview Apartments. We will absolutely attend any and all meetings in the future. Please keep us informed of the next meeting date.

Contrary to what your letter states, we did attend the November 22 meeting but you refused to let us in the room with our advisors. We understood from the BRA that you would let us have our advisors of choice at the November 22, 2004 meeting. Similarly, we stood ready to come to the December 20 meeting (and were in fact at the premises at that time with our advisors) but understood that again you would refuse to let us in the room with our advisors.

We will be at the next meeting. We are asking for your cooperation in implementing a fair and full partnership.

We hope to move forward collaboratively.

Sincerely,

Debby Giovanditto
