### How We Decide Your SNAP Amount

We use your household's income and some expenses. In some cases, we count the income of a person in your household, even if that person is not getting benefits. Look below to see what we are counting for your household.

- To get SNAP benefits, the total income for your household can't be more than \$ 2,987.00.
- To get SNAP benefits, the total **net** income for your household can't be more than \$2,298.00.
