Add'l.	\$312	\$3,744	\$72.01	\$415	\$4,980	\$95.78	\$468	\$5,616	\$108.01	\$624	\$7,488	\$144.01

Yearly amounts reflect monthly rounding multiplied by 12.

Add the fetus to the family size of a pregnant woman.

For people under 65, eligibility is based on gross monthly income.

For seniors, eligibility is based on adjusted income after deductions including a \$20 per month standard deduction, and there is an asset test.

The Senior deductible income standard is \$522 per mo. for an individual; \$650 per mo. for a couple.

The income standard for an institutionalized individual is \$72.80 per month.

MassHealth determines financial eligibility for MassHealth programs, Commonwealth Care and the Health Safety Net)

<p>Children with income over 400% of the poverty level can buy-in to the Children's Medical Security plan at full cost. There is no income upper limit or deductible for disabled children or disabled working adults in CommonHealth. Income in the Medical Security Plan is based on income in past 6 months and projected income for future 6 months. The 2009 federal poverty levels were published in the Jan. 23, 2009 Federal Register</p>
