

Health Insurance Coverage for **2.3 million Massachusetts Residents** is at risk from proposed cuts to Medicaid and the Affordable Care Act

<b>MassHealth Enrollment by Age and Congressional District, 2024</b>					
<b>Congressional District</b>	<b>Representative</b>	<b>Age 0-17</b>	<b>Age 18-64</b>	<b>Age 65 and Older</b>	<b>All Ages</b>
<b>MA1</b>	Richard Neal	94,461	155,809	32,470	282,740
<b>MA2</b>	James McGovern	71,533	121,955	28,040	221,528
<b>MA3</b>	Lori Trahan	96,311	151,382	31,549	279,242
<b>MA4</b>	Jake Auchincloss	59,997	106,277	24,329	190,603
<b>MA5</b>	Katherine Clark	53,153	107,405	25,315	185,873
<b>MA6</b>	Seth Moulton	60,052	103,833	24,826	188,711
<b>MA7</b>	Ayanna Pressley	85,247	173,631	40,196	299,074
<b>MA8</b>	Stephen Lynch	70,248	134,354	33,918	238,520
<b>MA9</b>	Bill Keating	62,092	108,989	24,004	195,085
<b>Statewide Total</b>		653,094	1,163,635	264,647	2,081,376

**NOTE:** This table uses data from MassHealth showing average enrollment in calendar year 2024 by age and by zip code for zip codes with more than 10 members. Because 14% of Massachusetts zip codes span more than one congressional district, we used the geocoding tool Geocod.io, which assigns a zip code to the congressional district in which the zip code's geographical center is located.

<b>ConnectorCare Enrollment by Program and Congressional District, December 2024</b>					
<b>Congressional District</b>	<b>Congressional Representative</b>	<b>ConnectorCare Original</b>	<b>ConnectorCare Expansion</b>	<b>APTC Only</b>	<b>All APTC</b>
<b>MA1</b>	Richard Neal	24,319	5,528	688	30,535
<b>MA2</b>	James McGovern	23,628	5,733	816	30,177
<b>MA3</b>	Lori Trahan	30,701	5,934	637	37,272
<b>MA4</b>	Jake Auchincloss	21,130	5,529	681	27,340
<b>MA5</b>	Katherine Clark	23,693	5,666	661	30,020
<b>MA6</b>	Seth Moulton	23,475	6,171	828	30,474
<b>MA7</b>	Ayanna Pressley	30,550	4,936	346	35,832
<b>MA8</b>	Stephen Lynch	25,653	5,717	570	31,940
<b>MA9</b>	Bill Keating	26,525	8,969	1355	36,849
<b>Statewide Total</b>		229,674	54,183	6582	290,439

**NOTE:** This table uses data from the Health Connector showing enrollment in December 2024 by congressional district and by eligibility for Advanced Premium Tax Credits (APTC) in the original ConnectorCare program for people with income up to 300% of the poverty level and in a 2-year ConnectorCare pilot program for people with higher income. There were also 6,582 people enrolled through the Connector receiving APTCs but not enrolled in ConnectorCare in December 2024.
