Dear Sample Member,

We need to make sure all of the information we have about you is right for next year.

Step 1

Check your household income range to see if it looks right

For privacy reasons, we can't show the exact dollar amount for your income. Instead, we show your expected income as a range, and as a percentage of the Federal Poverty Level (FPL). Compare the Expected 2026 Income Range and Federal Poverty Level (FPL) listed below.
