**Live Webcast -
Thursday, March 11, 2021
1:00pm - 4:00pm**

Unemployment insurance (UI) is a critical safety net during periods of joblessness. This seminar provides you with the expertise you need to understand the UI system and to help your clients get the UI benefits they are legally entitled. Our expert panel guides you through the entire UI system from eligibility criteria to the appeals process. (Unemployed workers often cannot afford to retain professional services in pursuing their claims, so if you are a non-legal services attorney, you can register to assist someone in need of help, and in doing so, qualify for reduced tuition of \$35.00.)
