Notice: 62950313

SSN: [REDACTED]

Dear [REDACTED]

MassHealth has decided that the following members of your family are no longer eligible for the coverage type they now get. The following MassHealth members will get a new coverage type because of a change in your family's circumstances. This notice applies **only** to the family members listed below.

Name	SSN/DOB	Effective Date of Change	Other Medicaid ID
[REDACTED]	[REDACTED]	07/20/2021	[REDACTED]

Reason and Manual Citation

Your coverage will change to Buy In (SLMB-PartB) because your income and/or assets are too high to get MassHealth Standard; and your income is too high to get MassHealth Senior Buy-in. 130 CMR 519.002 519.010

You have more countable assets than MassHealth Standard or Limited benefits allow. If you reduce your assets to \$3,000 within the 30-day time frame, you may be eligible for MassHealth benefits based on the date of your application. But if you do not reduce your assets to \$3,000 within the 30-day time frame, MassHealth will use as the date of your application the date you submit all of the required verifications that show you have reduced your assets to \$3,000. The calculation page at the end of this notice shows how we counted your assets. 130 CMR 520.003 520.004

The Health Safety Net may pay for services from a hospital or community health center that are not covered by a MassHealth program. You may be charged copays and deductibles. For more information, call 1-877-910-2100.
