What is the Department of Criminal Justice Information Services (DCJIS)?

DCJIS is the Massachusetts agency statutorily designated to:

- ✓ oversee the authorized provision of Criminal Offender Record Information (CORI) to the non-criminal justice community;
- ✓ provide a public safety information system and network to support data collection, information sharing, and interoperability for the Commonwealth's criminal justice and law enforcement communities;
- ✓ provide support to the *Criminal Records Review Board*;
- ✓ operate the Firearms Records Bureau; and
- ✓ provide and technically support the Victim Notification Registry for the victims of crime.

What is CORI?

Criminal Offender Record Information

Records and data in any communicable form compiled by a Massachusetts criminal justice agency about an identifiable individual that relate to:

- ✓ nature or disposition of a criminal charge,
- ✓ an arrest, a pre-trial proceeding,
- ✓ other judicial proceedings,
- ✓ sentencing,
- ✓ incarceration,
- ✓ rehabilitation,
- ✓ or release.

Does not include juvenile criminal history, except for charges on which a juvenile was adjudicated as an adult.

What is CORI Reform?

On August 6, 2010, the Governor signed into law Chapter 256 of the Acts of 2010, a.k.a. CORI Reform, making significant changes to the CORI law.

This law provides ex-offenders with a better chance of re-integration and obtaining employment while taking public safety into account.

The law changed who is authorized to access CORI and how CORI is accessed.

Most of the CORI Reform provisions became effective on May 4, 2012.

Criminal Justice Reform Bill

- Chapter 69 of the Acts of 2018, signed into law by Governor Baker on April 13, 2018.
- Key provisions related to CORI and FBI records:
 - Update to definition of CORI;
 - CORI does not include offenses dismissed prior to arraignment.
 - Defined what is considered adjudicated as adult for CORI dissemination purposes.
 - Dissemination of not guilty by reason of insanity dispositions;
 - Available to those seeking records under standard and open CORI access.
 - Reduced timeframes to seal records; and
 - Ability to expungement certain records, also includes FBI records.

All Employers Have Standard Access to CORI

- ✓ Findings of not guilty by reason of insanity relating to felony offenses for 10 years from disposition date.
- ✓ All murder, manslaughter, and sex offense convictions (unless sealed or expunged), regardless of the date of the individuals last misdemeanor or felony conviction.

Certain Employers Have Required CORI Access
