For people under 65 in MassHealth, Children's Medical Security Plan (CMSP) & Health Safety Net (HSN), eligibility is based on current monthly Modified Adjusted Gross Income (MAGI) with a 5% of federal poverty level (FPL) income deduction as shown in this table e.g. the 133% upper income standard is shown as 138% of FPL.

Monthly amounts are rounded; weekly amounts are monthly amounts divided by 4.333.

Add the fetus to the family size of pregnant women in MassHealth, CMSP & HSN but not for the Connector

For Seniors, eligibility is based on countable monthly income after deductions and there is an asset test.

For Seniors, a \$20 per month standard disregard is added to the 100% FPL standard in this table; the 5% MAGI deduction does not apply.

The Senior deductible income standard is \$522 per mo. for an individual;\$650 per mo. for a couple.

The income standard for an institutionalized individual is \$72.80 per month.
