# Authorized Representative Designation Form

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you **MUST** submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

**NOTE:** An authorized representative has the authority to act on an applicant's or member's behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority. Their authority will not automatically terminate once we process your application.

## You can choose someone to help you.

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form) or a sufficiently similar designation document. You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent.

**You are not required to have a representative in order to apply for or receive benefits.**

## Who can help me?

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B.
2. If, because of a mental or physical condition, you cannot designate an authorized representative in writing, a person (not an organization) who is acting responsibly on your behalf can be your authorized representative if that person certifies, by filling out Section II, that you are not able to provide a written designation, and that he or she is acting responsibly on your behalf.
3. An authorized representative can also be someone who has been appointed by law to act on your behalf. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person is lawfully representing you.
4. A person appointed by law to act on behalf of the estate of an applicant or member who has died can also serve as an authorized representative by following the instructions above. An authorized representative under Section III may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the estate's administrator or executor. What this person is authorized to do for you or for the applicant or member's estate will depend on the wording of the legal appointment.

## What can an authorized representative do?

An authorized representative may

- fill out your application or eligibility review forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;
- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector.

## How does an authorized representative designation end?

If you decide that you no longer want a **Section I** or **Section II** authorized representative, you must notify us at the time you want the designation to end by doing the following.

- Mailing a letter notifying us that the designation has ended to  
**Health Insurance Processing Center**  
**P. O. Box 4405**  
**Taunton, MA 02780;**
- Faxing a letter notifying us that the designation has ended to **1-857-323-8300**; or
- Calling us at **1-800-841-2900** (TTY: 1-800-497-4648 for people who are deaf, hard of hearing, or speech disabled).

If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a **Section II** authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.

A **Section III** authorized representative's designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.

In addition, an authorized representative's designation for a minor child ends on the child's 18<sup>th</sup> birthday.
