How to Ask for a Fair Hearing

Your Right to Appeal. If you disagree with the action taken by MassHealth, you have the right to appeal and ask for a hearing before an impartial hearing officer. You can also request a hearing if MassHealth did not act on your request in a reasonable time.

How to Appeal. To ask for a hearing, fill out this hearing request form and send it to the **Appeal Processing Center, P.O. Box 4405, Taunton, MA 02780-0419 or fax it to 1-857-323-8300.** If you have a question about your hearing call 617-847-1200 or 1-800-655-0338.

The Board of Hearings must receive your completed, signed request within 60 calendar days from the date you received the notice of our action. If you did not receive a written notice of the action to be taken, or MassHealth did not take an action on your application, you must send your request no later than 120 calendar days from the date the action takes place.

If You Are Now Getting MassHealth Benefits. You may be eligible to keep your benefits between the time you appeal and the time that the Board of Hearings makes a decision to approve or deny your appeal. If you decide to keep your benefits between the time the appeal is pending, and then you lose your appeal, you may have to pay back the cost of the benefits you received. If you do not get benefits, and then you win your appeal, we will restore your benefits. You will keep your benefits if the hearing form is received either before the benefit stops or within 10 calendar days from the mailing date of the MassHealth notice, whichever is later. Please mark your choice in the "If You Are Now Getting Benefits" section of the form.

Date of Hearing. At least 10 days before the hearing, we will send you a notice telling you the date, time and place of the hearing. Your hearing may be conducted by phone. You can ask us to reschedule a hearing, but you must have good cause. If you do not reschedule or appear on time to the hearing without documented good cause, your appeal will be dismissed.

Your Right to Be Helped at the Hearing. At the hearing, you may have a lawyer or other person represent you, or you may represent yourself. We will not pay for anyone to represent you. You may contact a local legal aid service or community agency to see if you can receive advice or representation at no cost. A hearing request can also be filed on your behalf by an individual authorized to act on your behalf. If someone other than a lawyer is acting on your behalf, please attach a copy of the document authorizing that person to file a hearing request on your behalf (for example, Power of Attorney, Guardian, Health Care Proxy).

If You Need an Interpreter, Assistive Device, or Other Accommodation. If you do not understand English or if you are hearing or sight impaired, we will provide an interpreter or assistive device at the hearing at no cost to you. We will also make other reasonable accommodations a person with a disability may need to participate in the hearing. Please tell us what you need in the "Other Information" section of the form.

Your Right to Review Your Case File. You and/or your representative can review your case file before the hearing. If you wish to review your case file, call 1-800-841-2900 (TTY: 1-800-497-4648 for people who are deaf, hard of hearing, or speech disabled).

Your Right to Ask to Subpoena Witnesses and Your Right to Question. You or your representative may write to ask that witnesses or documents be subpoenaed to the hearing. You or your representative may present evidence and cross-examine witnesses at the hearing. This means you can ask questions of witnesses. The hearing officer will make a decision based on all evidence presented at the hearing.

Impact on Other Household Members. Please note that an appeal decision for one household member may result in a change in eligibility for other household members. If that happens, any affected household members will receive a new eligibility notice explaining the changes.
