Online Guide Transmittal 2024-41
July 29, 2024

To: Department of Transitional Assistance Staff
From:  Sarah Stuart, Associate Commissioner for Local Implementation and Special Populations
Re: SNAP: Final State SNAP Supplement Payment

Overview

On February 14, 2024, the Department implemented the State SNAP Supplement for certain eligible noncitizens households. The State SNAP Supplement ended on April 30, 2024.

Although the State SNAP Supplement has ended, the Department has left-over funding that will allow for a one-time, partial monthly payment to households that would have otherwise qualified for a benefit in May. This payment will be 80% of what the client received in April. Payments will be available on July 30, 2024.

Clients will be sent a notice, text message and email informing them of their one-time payment.

Purpose

The purpose of this Online Guide Transmittal is to advise staff that a final, partial payment of the State SNAP Supplement will be issued to qualifying households.

Related Benefits Effective immediately, staff are not to issue related benefits for State SNAP Supplement households. If you encounter a household (receiving solely State SNAP Supplements or Mixed Noncitizen Households) that requires a related benefit, you must email the case details to the CCMO at DTA-DL-CCMOTeam@MassMail.State.MA.US.
