Re: SNAP: SNAP-Ed Website

Overview

The SNAP-Ed website was created to educate and encourage SNAP clients to live a healthier lifestyle. The main focus of the website is informing clients of the benefits of physical activity, how to eat healthy, and how to shop for healthy food choices while on a budget.

Promotional materials will be distributed to offices in the upcoming weeks.

Purpose

This Online Guide Transmittal advises staff of a new Online Guide page that was added to discuss the SNAP-Ed website and its copious resources.
