**To:** Department of Transitional Assistance Staff

**From:** *JC* Lydia Conley, Deputy Assistant Commissioner for Policy, Program and External Relations

**Re:** SNAP – Voter Registration Page Change

---

**Change to Voter Registration Page**

Effective with BEACON Build 45.6, scheduled for July 1, 2013, the Voter Registration page will be a mandatory page to be completed for Elderly/Disabled households without earnings. This page will become mandatory when the Interview page is completed and the case manager has indicated that the Elderly/Disabled household has been interviewed either telephonically or face-to-face.

**Note:** If the Voter Registration page was updated *after* the Reevaluation initiate date, then the Voter Registration page will not be set to reedit.

All other Voter Registration page functionality documented in Operations Memo 2012-36 remains unchanged.
