

Understanding Non-citizens' Eligibility for Health Coverage from MassHealth and the Health Connector

May 2020

To qualify for MassHealth benefits and to qualify to purchase low-cost insurance through the Massachusetts Health Connector, people must satisfy several financial and non-financial eligibility criteria. Among the non-financial criteria for comprehensive benefits –not just benefits for emergency services or safety net benefits--is a requirement that individuals be U.S. citizens or non-citizens who have an eligible immigration status.¹ This paper summarizes the rules that MassHealth and the Health Connector use to determine when non-citizens have an eligible status. Of course, eligible immigrants, like U.S. citizens, must also satisfy all the other applicable financial and non-financial eligibility criteria in order to receive benefits.

To be eligible to purchase insurance through the Health Connector, with or without a premium tax credit or other subsidy under the Affordable Care Act, a non-citizen must have an immigration status on the list of statuses defined as *Lawfully Present*. All the other financial and non-financial eligibility criteria for insurance through the Health Connector apply to Lawfully Present immigrants and U.S. citizens in the same way and are not summarized in this paper.²

MassHealth is more complicated. For some kinds of immigration statuses, MassHealth uses factors in addition to immigration status to determine an immigration status eligible for some types of MassHealth coverage but not others. MassHealth offers various types of comprehensive coverage with different benefits based on age, income, health status and other factors. Some eligible immigrants can obtain the same MassHealth benefits they could obtain if they were US citizens. Other eligible immigrants can obtain more than just emergency or safety net benefits, but not the same benefits for which they would be eligible if they were US citizens.

Table 1 shown below compares the relationship between the Lawfully Present category used by the Connector and the additional categories of eligible immigrants used in MassHealth.

Table 2 shown below under Table 1 summarizes the factors that affect immigrants' eligibility for different types of MassHealth plans and also shows eligibility for the Connector. However, Table 2 does not summarize all the other eligibility criteria that eligible immigrants and U.S. citizens

¹ Two groups of non-citizens: Pregnant women and certain "grandfathered" individuals who were receiving MassHealth or CommonHealth in 1997 may be eligible for comprehensive MassHealth benefits even without an eligible immigration status.

² The one exception to this rule applies to lawfully present immigrants with income under 100% of the poverty level who do not qualify for MassHealth because of their immigration status. They are not subject to the minimum income rule for help paying for health insurance through the Health Connector that otherwise limits eligibility to those with incomes over 100% of the poverty level.

must satisfy to receive benefits. See the sources at the end of this paper for websites with more information about MassHealth and Health Connector benefits.

Four Appendices list the various immigration statuses and other conditions that determine whether someone falls into one of the eligibility categories used by the Connector and MassHealth: Qualified, Qualified Barred, Lawfully Present, PRUCOL and Other.

Table 1. Comparing Connector and MassHealth Immigrant Categories & Terminology			
Connector Term	MassHealth Terms	Code in HIX Computer System	Eligible Immigration Status?
Lawfully Present	Qualified	QLP	Yes
	Qualified Barred	QAB	
	Nonqualified Individual Lawfully Present	ILP	
Not Lawfully Present	Nonqualified PRUCOL	NQP	No
	Other (including undocumented)	UNDOC	

- *Lawfully Present* adults are eligible for comprehensive MassHealth only if they are also *Qualified* with these exceptions: 1) Pregnant women who are Lawfully Present need not be Qualified to be eligible for MassHealth Standard, 2) Young adults 19-20 who are Lawfully Present need not be Qualified to be eligible for MassHealth Standard 3) Elderly or disabled poverty level immigrants who are Lawfully Present need not be Qualified to be eligible for MassHealth Family Assistance, 3) Lawfully Present immigrants receiving benefits since 1997 need not be Qualified to remain eligible for MassHealth Standard or CommonHealth
- *Lawfully present* children under 19 are eligible for MassHealth in the same way as they would be as US citizens.
- Immigrants who are *Nonqualified PRUCOL* are not eligible for the Connector but may be eligible for MassHealth Family Assistance, or, for disabled children and disabled low-income young adults, CommonHealth.
- Pregnant women are eligible for MassHealth Standard regardless of status.

- Immigrants who have been receiving MassHealth or CommonHealth continuously since June 30, 1997, or who have been in a nursing home since then, remain eligible for MassHealth regardless of status. They are “Protected Non-Citizens,” see 130 CMR §§ 504.003(B) and 518.003(B).
- Other undocumented non-citizens are only eligible for safety net programs with limited benefits: MassHealth Limited, Health Safety Net and/or the Children’s Medical Security Plan. Adults who are Qualified Barred or Nonqualified Individuals Lawfully Present may be eligible for both MassHealth Limited and the Health Connector.

Qualified –see Appendix 1 for list of Qualified statuses	Eligible for all MassHealth benefits in the same way as US citizens	All Types of MassHealth Coverage	Yes
Qualified Barred and Non-Qualified Lawfully Present , see Appendix 2 for list of Qualified Barred & Appendix 3B for list of Non-Qualified Lawfully Present	Pregnant women & children under age 19 eligible for all MassHealth benefits in the same way as US citizens & Qualified immigrants	All Types of MassHealth Coverage	Yes

The only exception is MassHealth Limited (emergency Medicaid). Qualified Barred and Non-Qualified Lawfully Present non-citizens may be eligible for both MassHealth Limited AND ConnectorCare.

⁴ Qualified Barred and Non-Qualified Lawfully Present young adults are eligible for MassHealth Standard if their family income is 150% of the poverty level or less or if they are categorically eligible for MassHealth Standard on some other basis such as needing nursing facility care. They are not eligible for other types of MassHealth coverage.

⁵ Qualified Barred and Non-Qualified Lawfully Present non-citizens may be eligible for both MassHealth Limited AND ConnectorCare.
