

2016 QMB, SLMB, and QI Programs

What are these programs?

The Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB) and Qualifying Individual (QI) programs are federal Medicare Savings Programs (MSPs) which help low income elders and younger Medicare beneficiaries access Medicare benefits. In Massachusetts, the programs are called MassHealth Senior Buy-In (for QMBs) and MassHealth Buy-In (for SLMBs and QIs). For most younger Medicare beneficiaries, MassHealth Standard includes these programs.

Who is eligible?

If you meet the program income and asset limits below, and meet the MassHealth immigration criteria, you are eligible for these programs. If you have been legally present in the U.S. for five years but do not meet the MassHealth immigration criteria, you are not eligible.

What are the Current Program Income Limits?

QMB

Exclusive of up to \$1,500/person in a burial account.

What are the 2016 program benefits?

QMB, SLMB, and QI Programs

- Medicare Part B monthly premium
- Eligibility for Medicare Part D prescription drug low income subsidy.

QMB Program Only

- Medicare Part A monthly premium for persons not eligible for premium-free Part A
- Medicare Part A and Part B deductibles
- Medicare Part A and Part B co-payments, including co-payments for Medicare services not covered by MassHealth if received by a MassHealth provider

SLMB and QI Programs

- Three months retroactive benefits, in most cases.

If you are age 65 or older and not eligible for premium-free Part A, you may purchase Part A by paying a monthly premium. You are required to be 65 and have lived in the U.S. legally for at least five consecutive years. If eligible for the QMB program, the state will pay both the Part A and Part B premiums. If eligible for the SLMB or QI program, the state will pay only the Part B premium.
